ANNEX 2 – SAFETY INSTRUCTIONS

To ensure the safety of all visitors and employees, NHV has specific safety rules. The safety instructions regarding all visitors can be found underneath and have to be read carefully. After reading the safety instructions, each visitor has to sign a form, confirming their understanding of the visitor safety instructions of NHV.

Please follow these safety instructions:

- **Smoking is prohibited** in NHV buildings and premises apart from in certain designated areas
- If you're **leaving the reception**, you must be **accompanied by an NHV staff member**
- If you see any **hazardous situation**, immediately **inform an NHV staff member**
- In case of **fire**, you have to follow the following instructions:
 - Immediately **inform an NHV staff member**
 - **Extinguish beginning fires**, without endangering yourself, with the appropriate fire extinguisher, if you know how.
 - If the fire is out of control, immediately **hit the alarm**.
 - Close windows, doors and try to stop fans
 - **Leave the building** by following this sign:  and gather at the **muster point (center parking place of NHV)**
- Have a clear **look at the floor-map** of NHV, indicating all **emergency exits, fire extinguishers and fire alarms**.

Have a safe and nice stay at NHV!
